TAG, an international organization of independently owned unified communications companies in the

United States and Canada, selected Technical Solutions as the winner of the Performance Excellence Award for exceptional economic performance and superior customer satisfaction for the seventh year in a row.

Technical Solutions was

highlighted as a premier **TECHNICAL SOLUTIONS** provider during an awards ceremony attended by TAG's member companies and technology manufacturers.

The awards are based on overall financial performance, customer satisfaction and the ability to provide customers with cost-effective unified communication solutions.

Gene Wells, president of Technical Solutions, accepted the award for the company.

"We have worked extremely hard over the years to build a great company," he said.

"We believe that if we focus on providing the best customer service possible the profits will come. I think in this case that's exactly what happened."
