Joy Communications of Stuart to speak at industry conference

By news release
Posted October 8, 2013 at 3:51 p.m.

Discuss Print A A A f t

STUART — Joy Communications, an industry leader in unified communications, announced that the company is speaking at STAR CON, Technology Assurance Group's industry conference of leading technology providers. TAG is an international association of independently owned unified communications companies collectively representing nearly \$350 million in products and services. The event will be held Oct. 20-23 in San Diego at the U.S. Grant Hotel.
