

## PreCom recognized

**PreCom**, a unified communications provider in Boise, has received Technology Assurance Group's top award.

The group, an international organization of independently owned unified communications companies, selected PreCom as the winner of the "Performance Excellence Award" for exceptional economic performance and superior customer satisfaction. "In 2013, PreCom experienced phenomenal growth that propelled them past the best companies in the industry,"

Heidi  
Woodhead

said Brian Suerth, president of TAG.

**Heidi Woodhead**, vice president of PreCom, accepted the award.
