

## Local firm participates in technical conference

Technical Solutions, a unified communications business, announced that company representatives were set to speak at STAR CON, Technology Assurance Group's industry conference of technology providers.

TAG is an international association of independently owned unified communications companies collectively representing nearly \$350 million in products and services.

The event ran Oct. 20-23 at the U.S. Grant Hotel in San Diego.

The objective of STAR CON is to bring the brightest minds in the industry together to discuss current trends, best business practices and understand where the industry is headed as a whole.

"It's always a pleasure to attend conferences of this caliber," said Gene Wells, president of Technical Solutions. "We thoroughly enjoy connecting with other successful companies and learning best practices that increase our offering to our customers."
