

## Deane to speak at national convention

Troy Deane, sales manager for **IDEaCOM ECSI**, has been invited by Technology Assurance Group to speak on the future of unified communications with some of the industry's top manufacturers, vendors, suppliers and resellers at the group's national convention.

**Deane**

The 12th annual Technology Assurance Group Convention will be held Sept. 9-12 in New Orleans. Technology Assurance Group is an international organization representing nearly \$350 million in products and services in the communications industry.

IDEaCOM ECSI has delivered professional telecommunications and data services and products, including phones, computer networking and cabling, to the eastern Idaho and western Wyoming markets for more than 29 years, according to a news release.

For information on IDEaCOM ECSI, call 529-9400, email [troyd@ideacomecsi.com](mailto:troyd@ideacomecsi.com) or go online to [www.ideacomecsi.com](http://www.ideacomecsi.com). For information on Technology Assurance Group, go to [www.tagnational.com](http://www.tagnational.com).
