

PreCom receives top industry award

IBR STAFF REPORT

PreCom, a unified communications provider, announced recently that the company received one of Technology Assurance Group's top awards at the association's 2009 National Convention held in San Diego in March.

Technology Assurance Group, an international organization of independently owned unified communications companies in the United States and Canada, selected PreCom as the winner

of the "Chairman's Bronze Circle Award" for exceptional economic performance and superior customer satisfaction, according to a press release from the firm.

Heidi Woodhead, vice president of PreCom, accepted the award for the company.

"We have worked extremely hard over the years to build a great company with a solid reputation in our community and it was a wonderful feeling to be recognized by TAG," Woodhead said.
